WHAT IT COVERS

All damage types — one workflow.

Cosmetic · Collision · Comprehensive · Non-Collision · Wear & Tear · Weather · Vandalism · Theft Recovery

WHO WINS

One product. Five people who win every day.

- **Service Advisor**
60-second cosmetic estimate at write-up. No specialist required.
- **Used Car Manager**
Trade appraisals with cosmetic cost baked in. No recon surprises.
- **The Customer**
Sees the damage. Sees the price. Approves on the spot.
- **Body Shop Manager**
Triage every drive-in. Documented photo record. Faster quotes.
- **Lease Coordinator**
Defensible photo record at every hand-off. End disputes.
- **GM / Dealer Principal**
New revenue stream with no added headcount or hardware.

HOW IT WORKS

No app. No specialist. No training week.

- **01 Capture**
Any team member takes 4 photos and enters the VIN on a phone or tablet.
- **02 Estimate**
Estimating AI — trained on 125,000+ real repairs — returns a priced estimate.
- **03 Present**
Customer sees a transparent estimate on screen and approves on the spot.

NO ADDED COST

Runs on the phones, tablets, and cameras your team already uses.
We add ROI — not overhead. ~\$187,500/month opportunity per location.
